**eNewsletter # 316 - 30 October 2017**

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in the NSW Police Force - Ku-ring-gai Local Area Command (LAC), which includes most of the Hornsby and Ku-ring-gai council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from the [Kuring-gai LAC Facebook page](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from an other Police command ("Crooks know no boundaries!").

🚗 Have you seen anything we should share with the community? [Please email](#) our NHW in Ku-ring-gai & Hornsby volunteers. We do value your contributions. Thank you for your support.

🚗 Please feel free to [share/forward this eNewsletter](#) with your friends, family, colleagues and neighbours.

### **23 October, from The Hills command: Halloween Safety..... Once again we ask - is it safe to take lollies from strangers?**

There are safe ways to celebrate Halloween next week (or this weekend if you having a 'Halloween Party'). Parents supervising and accompanying children when knocking on doors of those you know may be one safety strategy. Are houses that are decorated with cobwebs and spooky stuff luring your children? Follow these safety tips below for a start.....

Dressing up as a scary clown as an teen/adult whilst intimidating others could result in police action or even retaliation from victims. Take care!

### Are you going 'Trick or Treating' for Halloween on Tuesday 31<sup>st</sup> October, 2017?

NSW Police recommend you do not participate in this activity. However, if you choose to participate, here are some things you should consider:

- Is it safe to take sweets or lollies from strangers?
- Do I know the person whose door I am knocking on?
- Will I get into trouble from police if I play a 'prank' or damage property?
- What if a stranger talks to me?

Remember your safety tips from the NSW Police 'Keeping Me Safe' initiative:

- Safety in numbers! Walk in a group. Never walk alone. Ensure you have adult supervision.
- Hold hands and cross roads at safe locations such as marked crossings and/or traffic light intersections. Don't forget to 'Stop, Look, Listen and Think.'
- Do not take candy, lollies, chocolate from strangers.
- Do not talk to strangers other than the people nominated as 'Safe people' from 'Safe places'
- If you feel unsafe or unsure remember to tell a stranger 'No' 'Stop' and/or 'Go away'

If you would still like to celebrate the occasion, perhaps you could consider celebrating at home.

Police will not tolerate poor behaviour, particularly in public so remember your manners just like every other day of the year.

If you have any questions, please contact Senior Constable Rob Paterson, Youth Liaison Officer from Castle Hill Police. Call 000 if you require immediate assistance or 9680 5399 for Castle Hill Police.

**NORMANHURST** A rigid cement truck clipped a Toyota Yaris while merging on Pennant Hills Rd near the intersection of Campbell Ave on October 17. Police said the Toyota was turned to a 45- degree angle and was pushed along the road following the collision at about 1.40pm. Another truck in the third lane of Pennant Hills Rd believed the two vehicles would collide with it so the driver swerved to the right and travelled across the three lanes on the opposite side of the road but did not collide with any other vehicles. An 81-year-old woman, who was a passenger in the Toyota, was taken to hospital but was later released with no significant injuries.

**HORNSBY** A 40-year-old Waitara man's licence has been suspended after he allegedly recorded a breath analysis more than five times over the limit. Police said they were contacted by firefighters who saw a car near the intersection of Edgeworth David Ave and Pacific Highway about 11.30pm on Saturday and believed the driver was heavily intoxicated because of the manner of his driving. Police stopped the vehicle for a roadside breath test, which allegedly came back positive for alcohol. The driver was taken to Hornsby police station where the breath analysis was allegedly 0.286. The man was issued a field court attendance notice.

**DURAL** A passenger was taken to hospital after a Toyota Camry travelling about 80km/h hit the back of a Toyota Corolla. Police said a 55-year-old Galston woman in the Corolla was stationary and waiting to turn right from Old Northern Rd into Wyoming St about 7.30pm on Saturday when the Camry, driven by a 34-year-old Quakers Hill man, allegedly failed to stop after a long sweeping bend and ran into the back of her car. A passenger in the Corolla suffered whiplash injuries and was taken to hospital.

**TURRAMURRA** A car caught on fire after a collision on Burns Rd on Friday. Police said a 24-year-old man was driving south on Burns Rd about 2.30pm when he negotiated a sweeping right hand bend near Bedford Ave and allegedly lost control of the vehicle and veered to the wrong side of the road. His car allegedly narrowly missed another vehicle, spun 360 degrees and collided with a Hyundai being driven by a 60-year-old woman. Police said there was significant damage to both

cars and the Holden then caught on fire. Police, fire crews and paramedics arrived and the fire was extinguished. The 60-year-old and her passenger were taken to hospital.

**WARRAWEE** CarCar keys along with a wallet, purse and mobile phone worth \$660 were stolen from a property on Finlay Rd between 11pm on Friday and 5am on Saturday. The front door was left unlocked. **TURRAMURRA** A house was broken into and car keys were stolen from a property on Finlay Rd between 11.30pm on Friday and 7am on Saturday. #### **From 'OUR 20 FAVOURITE CRIME PREVENTION TIPS FOR BUSINESSES'**

1. AT THE END OF THE DAY, REMOVE ALL MONEY FROM THE CASH REGISTER AND DISPLAY THE EMPTY DRAWER AS A MESSAGE TO POTENTIAL THIEVES.
2. DO NOT LEAVE YOUR HANDBAG, PHONE, KEYS, ETC BEHIND THE COUNTER. Thieves will distract you, reach over the counter and take your

property.

3. ENSURE YOUR STORE ROOM IS SECURE AT ALL TIMES. Again, thieves will distract you and gain entry.

4. ENSURE ALL PERIMETER FENCES, GATES AND DOORS ARE IN GOOD ORDER AND THAT GATES ARE KEPT CLOSED & LOCKED (use a padlock or similar) WHEN NOT IN USE, TO RESTRICT UNAUTHORISED ACCESS TO YOUR PROPERTY.

5. INSTALL GOOD QUALITY SECURITY LIGHTS AND/OR SENSOR LIGHTS AROUND THE PERIMETER TO PROVIDE MORE EFFECTIVE ILLUMINATION AT NIGHT.

16. BEWARE OF ROGUE TRADESMEN/PROFESSIONAL SERVICES eg the man checking fire extinguishers. BE VIGILANT. THIEVES DRESS TO FIT IN (smart businessman, young tradie) Less-experienced employees need reminding.

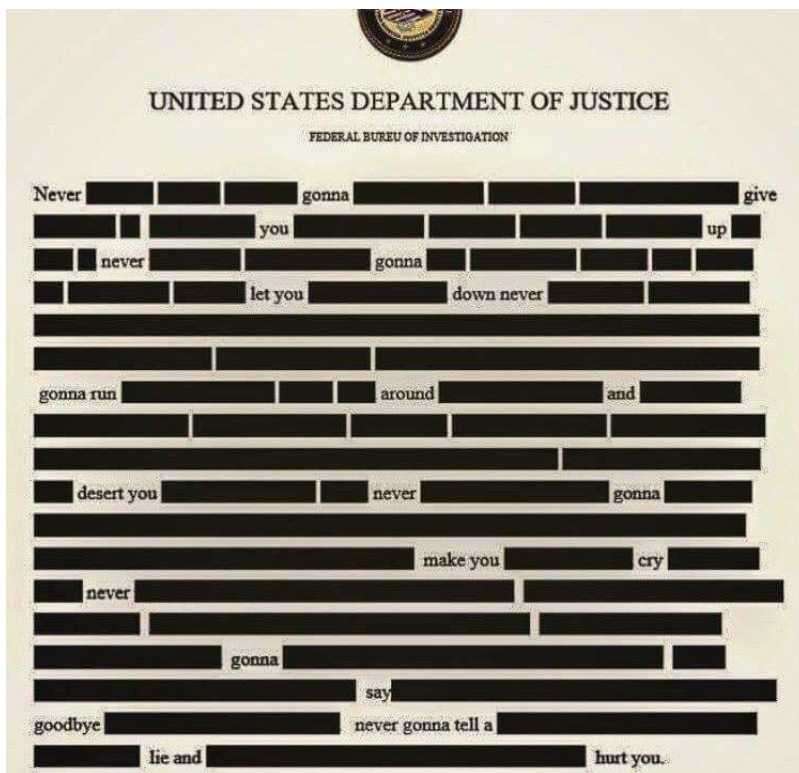

17. DO REGULAR STOCK TAKES, EVEN HOURLY, IN ORDER TO NARROW THE TIME FRAME OF A THEFT. This enables CCTV to be checked more effectively.

18. KNOW THE LAWS. WHO CAN YOU STOP, RESTRAIN, SEARCH, WHEN, HOW & WHY? Ensure all employees are aware of the risks involved with this strategy eg being spiked by a used syringe during a bag search?
