

# Neighbourhood Watch in Ku-ring-gai and Hornsby

**eNewsletter # 342 - 30 April 2018**

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in Ku-ring-gai and Hornsby council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from the [Kuring-gai LAC Facebook page](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from an other Police command ("Crooks know no boundaries!").

🚘 Have you seen anything we should share with the community? [Please email](#) our NHW in Ku-ring-gai & Hornsby volunteers. We do value your contributions. Thank you for your support.

🚘 Please feel free to [share/forward this eNewsletter](#) with your friends, family, colleagues and neighbours.

**April 28, from [NSW Police Force](#):** A report will be prepared for the Coroner after a man died following a two-vehicle crash at St Ives this morning.

About 9am (Saturday 28 April 2018), emergency services attended the intersection at Mona Vale Road and Stanley Street, after reports a Holden Astra and Toyota Hiace collided. As a result of the impact, the Holden crashed into a traffic pole. The driver of the Holden, a 90-year-old woman, and her passenger, a 94-year-old man, were trapped in the vehicle for some time. The woman was treated for minor

injuries. The man was taken to Royal North Shore Hospital with critical injuries, where he later died. The driver of the Toyota, a 43-year-old man, escaped uninjured and was taken to hospital for mandatory blood and urine testing. The road was closed for several hours while Crash Investigation Unit officers examined the scene.

Police are urging anyone with information in relation to this incident to call **Crime Stoppers on 1800 333 000** or use the Crime Stoppers online reporting page: <https://nsw.crimestoppers.com.au/> Information you provide will be treated in the strictest of confidence.

**April 27, from Traffic & Highway Patrol command: This post has come from the Fort Bend County Sheriff's Office.**

Very good information. You should consider your child's size - not age when restraining them. They are precious cargo. We receive many inquiries about restraining children in vehicles. Please remember the most dangerous place you will ever place your child is in a vehicle. Crashes are the #1 cause of injury and death for children. Take child passenger safety seriously. Remember, dead children don't cry. The decision isn't up to them.

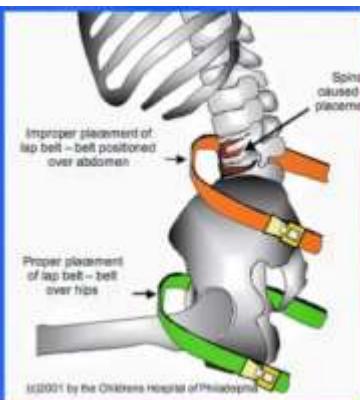

**Remember: toddlers DO NOT belong  
In boosters!**

**Even using the lowest setting, look at

This can cause serious injuries!**

# “WatchOut!”

## New ‘One-Stop-Shop’ for Crime Prevention

Ku-ring-gai/Hornsby Neighbourhood Watch (NHW) has put together an innovative, free and easy-to-use online service to connect the community with all things crime and crime prevention.

Wanting you to “Love Our Links”, the never-before-done site - [www.watchout.org.au](http://www.watchout.org.au) - launched on Valentine’s Day, February 14 2018, includes an A-Z index of helpful information on a variety of topics. The data is provided by government agencies and not-for-profit organisations.

This was made possible through Neighbourhood Watch Australasia (NHWA) 2017 Community Funding Program. The creative project concept was initialised from the NHW needs to locate new ways to direct the community to relevant information.

“Crimes have extended further into our lives through the use of technology and a huge, crucial resource - the internet - was being missed. The site will point to advice for everyone, from how to deal with cyber-bullying for a 10 year old, through to warnings on romance scams for an 80 year old.” - Julia Eagles, Coordinator, Ku-ring-gai and Hornsby NHW.

The constantly evolving site is run by a roster of dedicated Neighbourhood Watch Volunteers, ensuring links and information are kept up-to-date. Neighbourhood Watch Ku-ring-gai invites all users of the site and members of the public to submit links

and provide feedback to support this community inclusive project.

Ku-ring-gai/Hornsby NHW plans to roll out ‘WatchOut’ at local community events and shopping precincts throughout 2018.

Please check out [www.watchout.org.au](http://www.watchout.org.au) and help Ku-ring-gai/Hornsby NHW identify new links.

Ku-ring-gai/Hornsby NHW also has a regular website you might want to check out: [www.nhwkuringgaihornsby.org.au](http://www.nhwkuringgaihornsby.org.au)

They offer the community a weekly eNewsletter, the opportunity to request items such as car rego platelocking screws (thanks to NHWA); NHW window stickers, etc, and they loan out items such as engravers, a driveway marking stencil, or a paper shredder. See the ‘Tips’ page, for the extensive “Our 20 Favourite Crime Prevention Tips” series that has been shared via the NHWA Facebook group and become very popular – are you a member?

**HORNSBY** A 57-year-old Hornsby man has been charged with high range drink driving after being approached by police on Saturday night. The man was seen by officers driving his silver Ford Falcon in a carpark on Dural Lane. The officers noticed he could barely stand and smelt strongly of alcohol. He gave a positive breath test and was taken to Hornsby police station where he blew 0.190. Police suspended his licence on the spot. He was due to appear at Hornsby Court.

**NORMANHURST** Police are searching for a stolen motorbike after it was taken from a parking spot at Nepean Ave between 11pm on Monday and 7.45am on Tuesday. The red and black Hyosung is worth \$4800.

**HORNSBY** Staff at an internet cafe in Florence St were duped on Sunday after

they were told a man was damaging the toilets outside. When staff went to investigate they found there was no man and no damage, but when they returned after 15 minutes away from the store at 6pm they discovered the till draw open and \$100 missing. Police are reviewing CCTV footage.

HORNSBY Police have discovered a major drug hydro house after the owner checked on his property and discovered the tenant — who was not at the home at the time — had put a new partition wall in and hydroponic lights. Police say it is an extensive hydroponic set-up and their investigations are continuing.

THORNLEIGH Residents were woken by a loud explosion in Lynrob Place on Sunday at 10.15pm when their homes were rocked and a Toyota Camry was found on fire outside. Police say the car had been stolen in Wahroonga. The car was destroyed and police are asking for any witnesses who saw the car being driven or parked to come forward.

NORMANHURST An Indian national who was allegedly speeding in his red BMW while overtaking other cars and waving his hands and arms out of the sunroof along Pennant Hills Rd was charged with high-range drink driving after he had an accident. Police allege witnesses said they saw the car swerving and being driven dangerously on Sunday about 2.30am. When the driver lost control of his car it spun around several times before hitting a brick wall and then spinning across three lanes before halting. An off-duty police officer apprehended the driver and called Hornsby police. The 21-year-old from Hornsby was on an international licence and gave a positive roadside test. He was arrested and taken to Hornsby police station where he blew 0.166. The man's licence was suspended by police and he will appear in court.

HORNSBY Police are investigating an alleged assault that occurred in Albert Lane about 5.30pm on Friday, November 17 and are now asking for witnesses to come forward. A council ranger who was working near the lane carpark of Westfield Hornsby was allegedly assaulted as he was taking photos of a vehicle. It is alleged a male driver approached the ranger and an altercation occurred. Police say versions of what occurred are conflicting and they are seeking information from members of the public who may have witnessed the incident to come forward.

TURRAMURRA Two Volkswagen Golf passenger cars were stolen from the garage of a home at Princes St between 11pm on Sunday and 4.30am on Monday. Thieves broke through the garage and took the keys to the two Golfs, one of which is valued at \$25,000, the other at \$45,000.

TURRAMURRA Jewellery was stolen in a break and enter between 1.15pm and

5.40pm on Sunday at Coolabah Ave. A ground floor window was jemmied open, allowing the thieves to get in the house. There is no reported value for the jewellery.

### **29 April, from St Ives Community group**

Hello. My elderly neighbour has lost her NOKIA phone on Warrimoo Avenue, perhaps on the oval. It did have a green case and the name Joy Wells was on a sticker on the cover. This may have been removed. Please message if you have any info and I'll pass this on. Thanks so much!

A friend of mine has lost her keys. Not sure exactly where from but thinks St Ives Shopping Centre. The keys have a distinctive "Janine" plastic, history of the name tag attached, as well as a Subaru remote & others. It's a long shot but if anyone has seen them please get in touch. To replace the car remote is going to cost

about \$500.

## **IoT devices through a Google search.**

Researchers at Ben-Gurion University warn that hackers have an unexpected resource in exploiting your environment: a Google search. IoT device manufacturers set a default password for their devices, sometimes even sharing passwords between brands. “It only took 30 minutes to find passwords for most of the devices [used in the testing] and some of them were found merely through a Google search of the brand,” said Omer Shwartz, a Ph.D. student and researcher at Ben-Gurion.

## **From the draft 'Our 20 Favourite Crime Prevention Tips for Pedestrians':**

**Tip#1:** Make eye contact with drivers before crossing any road, even on a pedestrian crossing. Parents – teach your kids this life skill. Just because someone else decides to cross, doesn't mean it's safe for you. Your life – your decision.

**Tip#3:** Put away your phone. Unplug your earphones. Give all senses to the job of keeping you safe. Concentrate whilst you are on that road. Even pause any involved conversations with those near you. 100% concentration please!

**Tip#6:** At intersections, check for turning vehicles before you leave the kerb, and whilst you are crossing the road. Look in all directions, including over your shoulder! If you have a stiff neck, or limited movement, remember to turn your body.

**Tip#9:** Be a role model for children. Don't run across the road. Walk at a determined pace. This helps to avoid a trip or fall, and also gives time for a driver to predict your path.

**Tip#19:** At night use a torch. Try and keep it pointing down and away from drivers, so as not to blind them.
