

## Neighbourhood Watch Ku-ring-gai and Hornsby eNewsletter #585 - 27 December 2022

This weekly eNewsletter is compiled by Neighbourhood Watch volunteers as a service for residents in Ku-ring-gai and Hornsby council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from our local police at the [Ku-ring-gai PAC Facebook page](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from another Police command ("Crooks know no boundaries!").

🚗 Have you seen anything we should share with the community? [Please email](#) our NHW in Ku-ring-gai & Hornsby volunteers. We do value your contributions and thank you for your support.

🚗 Please feel free to share/forward this eNewsletter with your friends, family, colleagues and neighbours.

**Don't Let Your Drive Affect Lives - Look out for pedestrians**

Almost 55% of pedestrians involved in a crash with a motor vehicle are killed or seriously injured.

**60**

Over 90% of fatal or serious injury motor vehicle crash involving pedestrians occur when the speed limit is 60km/hour or less.

**When pedestrians are about slow down!**

Slow down and focus when parking or performing manoeuvres such as U turns, be mindful of and minimise distractions.

(Data obtained from Transport for NSW Centre for Road Safety - years 2016 to 2020)

**Don't Let Your Drive Affect Lives - Look out for pedestrians**

- **When pedestrians are about slow down!** Don't assume that a pedestrian has seen you and will wait for you to go past.
- **Drivers must always give way to pedestrians crossing the road**, even if there is no marked pedestrian crossing.
- Be mindful that **vulnerable pedestrians may need extra time to cross**. Be aware that pedestrians are hard to see at night and in poor weather.
- **Slow down, be aware of your surrounding and sudden changes** on roads where there are likely to be a lot of pedestrians, especially near schools, shopping centres and licensed premises where pedestrians may be intoxicated.
- **Slow down and focus** when parking or performing manoeuvres such as U turns, be mindful of and minimise distractions.

Stop thieves and keep deliveries safe this Christmas by:

-  Requesting packages be placed in a secure location.
-  Requesting signature confirmation of delivery.
-  Shipping to a secure location or 'Click & Collect'.
-  Installing home security devices such as outdoor cameras or a video doorbell can help deter thieves.
-  Installing a parcel delivery box at the entryway. They are usually tough, weather resistant and virtually tamper-proof.

✅✅✅ DO OR DO NOT ❌❌❌

Follow these simple tips in order to protect yourself from becoming a victim of fraud this holiday period.

---

## 22 December, from Ku-ring-gai Command

🚫 Please be wary of scammers this holiday period. Follow these simple steps and do your own research! 🚫

For more information, visit site [here](#).

**DON'T LET SCAMMERS RUIN YOUR HOLIDAYS!**

Fake websites and social media can be easily spotted. There's often an unusual website address, missing information, bad grammar or spelling errors. Ensure there's an ABN (Australian Business Number) before making purchases.

Avoid up-front payment, especially with money order, wire transfer or moneygram and request a full financial breakdown of services in advance.

Try to make payment using services that provide buyer protection.

*If you believe that you are the victim of fraud, please report the matter to the NSW Police Force.*

**PET SCAMS**

In 2021, Scam Watch received 3,332 pet scam reports and \$4 million in reported losses.

**Research!** Search the internet using the exact wording in the advertisement or do a reverse image search of the animal.

**Always use accredited breeders, businesses or animal rescue shelters.**

**Most importantly, meet and spend time with your new family member before spending money, pets are a big commitment!**

*If you believe that you are the victim of fraud, please report the matter to the NSW Police Force.*

**27 December, from NSW Police Force: Can you help us find Daniel?**

\*\*\*PLEASE NOTE – A geo-targeted text message has been sent to the Darling Harbour and surrounding areas. If you've received a text message from +61 444 444 444 it is not a scam.

Daniel Van Buuren, aged 41, was seen leaving a home in Dee Why about 10.30pm on Sunday 18 December 2022.

Daniel is described as being of Caucasian appearance, about 170-180cm tall, of medium build, with brown hair and dark brown eyes.

Police have reason to believe that Daniel was at Tumbalong Park, Darling Harbour, in the early hours of Monday 19 December 2022, watching the World Cup.

Christmas Grinches are out and about – ready to ruin your Christmas! One of the things most commonly targeted at this time of year valuables left behind in vehicles.

Remember!

-  Lock your car. Unless a criminal sees something valuable left in the car, they may only check to see if the car is unlocked.
  -  Remove valuables from your vehicle. Commonly stolen items include, cash and change from the console, mobile phones, laptop, wallet, handbag, backpacks or sports bags and at this time of year Christmas presents after shopping.
  -  Park in well lit areas.
-

Consider CCTV cameras at your home that covers the area where you park your car.

We make our community safer, by making an arrest every 11 hours

## **25 December, from Neighbourhood Watch Ku-ring-gai & Hornsby**

Thank you to our Crime Prevention Officer at Ku-ring-gai Police Area Command, Constable Gemma Walker, for trying 'cocooning' in the community. Following a Break & Enter (B&E) or a Steal from Motor Vehicle, Gemma has printed off some community alerts and Neighbourhood Watch volunteers are getting them as soon as possible to the surrounding houses' letterboxes, as a warning. The other week we had similar for Duffy Ave, Thornleigh and Redgum Avenue, Killara.

Today a community-minded resident was found in each of the targeted streets in Hornsby Heights, West Pymble, Killara, Wahroonga & St Ives. Thank you to Terry, Liz and Amabelle, as well as those anonymous helpers who distributed/will distribute the warnings:

Grayling Rd, W. Pymble

Jugiong St, W. Pymble

Lofberg Rd, W. Pymble

Wyomee Av & Boongil St, W. Pymble

Locksley St, Killara

Esk St & Huon St, Wahroonga

Burraneer Av, St Ives

This 'cocooning' technique is an idea taken from the Western Australian police. It is meant to warn residents surrounding the victim, enabling them to be more careful and vigilant. It also may generate extra information about the crime(s), perhaps in the way of CCTV. The community alerts are not meant to scare residents. Neighbourhood Watch Ku-ring-gai & Hornsby sees this as an

---

important initiative and will support Gemma in every way possible.

## 24 December, from Neighbourhood Watch Ku-ring-gai & Hornsby

Shared with us by a resident in Pymble:

Hi, just thought I'd share a heads-up for weird behaviour.

I walked from the Lofberg Dog Park (36 Yanko Rd), back to my car yesterday and noticed some creepy old man filming us. He was sitting on one of the benches near the sports building. I don't know why he was filming us, but it made me super uncomfortable.

He had a dark green sun hat, long pants and jacket on despite it being warm. It would have been around 3pm. It's been on my mind since. I don't know if I should have confronted him. I didn't. But he was tracing us with his phone and that was clear. Just keep an eye out cause I don't know what he's doing with that footage or who else he's targeting or what his intentions are.

This happened on the 23rd December 2022.

I know he was tracking us with his phone as we walked across the oval to the

top car park. He didn't look like a ranger if I was doing something wrong with the dog? Didn't say anything to me.

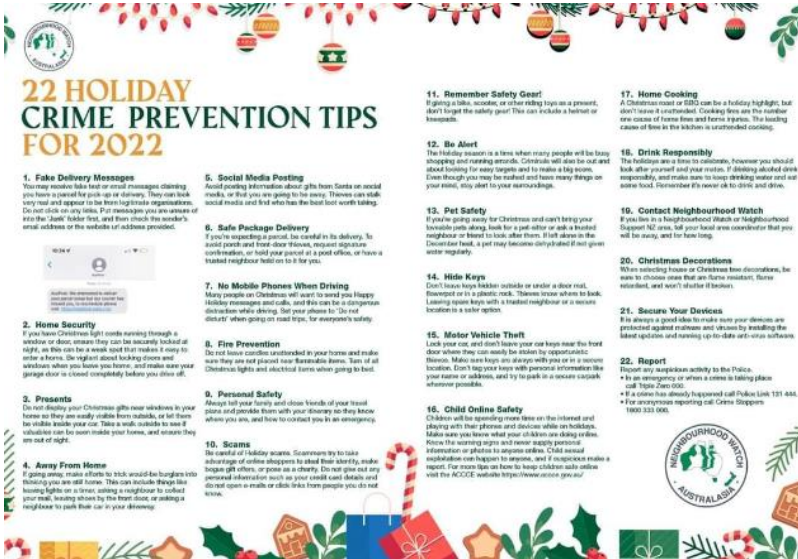

White, elderly, very slim, male. All dark green, moss colour clothes.

That's all the information I think I can provide. The Facebook group tells me there have been other similar instances. Someone else has told me their 16 year old daughter has been attacked recently. I've no idea if this helps or if there is any connection. Just that you know now.

Our advice was for the resident to give this information to Crime Stoppers NSW on 1800 333 000.

## 24 December, Thanks to Cowra Neighbourhood Watch

**22 HOLIDAY CRIME PREVENTION TIPS FOR 2022**

**1. Fake Delivery Messages**  
You may receive fake text or email messages claiming you have a parcel to pick up or deliver. They can look very real and appear to be from legitimate organisations. Do not click on any links. For messages you are unsure of, go to the 'Spam' folder first, and then check the sender's email address or the website of address provided.

**2. Home Security**  
If you have Christmas lights strung across a window or door, ensure they can be securely locked at night, as this can be a weak spot that makes it easy to enter a home. Be vigilant about locking doors and windows when you leave your home, and make sure your garage door is closed completely before you drive off.

**3. Presents**  
Do not display your Christmas gifts near windows in your home as they are easily visible from outside, or left them in visible bags near your car. Take a walk outside to see if a situation can be seen inside your home, and ensure they are not at risk.

**4. Away From Home**  
If going away, make efforts to trick would-be burglars into thinking you are still home. This can include things like leaving lights on at night, using a neighbour to collect your mail, leaving shoes by the front door, or asking a neighbour to park their car in your driveway.

**5. Social Media Posting**  
Avoid posting information about gifts from Santa on social media, or that you are going to be away. Thieves can still social media and find out who has the best list worth taking.

**6. Safe Package Delivery**  
If you're expecting a parcel, be careful in its delivery. To avoid porch and front-door thieves, request signature confirmation, or hold your parcel at a post office, or have a trusted neighbour hold on to it for you.

**7. No Mobile Phones When Driving**  
Many people on Christmas will want to send you Happy Holiday messages and calls, and this can be a dangerous distraction while driving. Put your phone in 'Do not disturb' when going on road trips, for everyone's safety.

**8. Fire Prevention**  
Do not leave candles unattended in your home and make sure they are not placed near flammable items. Turn off all Christmas lights and electrical items when going to bed.

**9. Personal Safety**  
Always tell your family and close friends of your travel plans and provide them with your itinerary so they know where you are, and how to contact you in an emergency.

**10. Scams**  
Be careful of holiday scams. Scammers try to take advantage of crime shoppers to steal their identity, make bogus gift offers, or pose as a charity. Do not give out any personal information such as your credit card details, and do not open a email or click links from people you do not know.

**11. Remember Safety Gear!**  
If giving a bike, scooter, or other riding toys as a present, don't forget the safety gear! This can include a helmet or knee pads.

**12. Be Alert**  
The holiday season is a time when many people will be busy shopping and running errands. Criminals will also be out and about looking for easy targets and to make a big score. Even though you may be tired and have many things on your mind, stay alert to your surroundings.

**13. Pet Safety**  
If you're going away for Christmas and can't bring your beloved pet along, look for a pet sitter or ask a trusted neighbour or friend to look after them. If left alone in the December heat, a pet may become dehydrated if not given water regularly.

**14. Hide Keys**  
Don't leave keys hidden outside or under a door mat, disguised in a plastic sock. Thieves know where to look. Leaving spare keys with a trusted neighbour or a secure location is a safer option.

**15. Motor Vehicle Theft**  
Lock your car, and don't leave your car keys near the front door where they can easily be stolen by opportunists. Thieves can use keys in disguise with you or in a secure location. Don't keep your keys with personal information like your name or address, and try to park in a secure space whenever possible.

**16. Child Online Safety**  
Children will be spending more time on the internet and chatting with their friends and devices while on holidays. Make sure you know what your children are doing online. Know the warning signs and never supply personal information or photos to anyone online. Child sexual exploitation can happen in person, and if suspicious make a report. For more tips on how to keep children safe online visit the ACCC website <https://www.accc.gov.au>

**17. Home Cooking**  
A Christmas meal or BBQ can be a holiday highlight, but don't leave it unattended. Cooking fires are the number one cause of home fires and home injuries. The leading cause of loss in the kitchen is unattended cooking.

**18. Drink Responsibly**  
The holidays are a time to celebrate, however you should look after yourself and your guests. If drinking alcohol drink responsibly, and make sure to keep drinking water and eat some food. Remember it's never ok to drink and drive.

**19. Contact Neighbourhood Watch**  
If you live in a Neighbourhood Watch or Neighbourhood Support NZ area, tell your local area coordinator that you will be away, and for how long.

**20. Christmas Decorations**  
When stringing lights or Christmas tree decorations, be sure to choose ones that are flame resistant, flame retardant, and won't shatter if broken.

**21. Secure Your Devices**  
It is always a good idea to make sure your devices are protected against malware and viruses by installing the latest updates and running up-to-date anti-virus software.

**22. Report**  
Report any suspicious activity to the Police.  
• In an emergency or when a crime is taking place call Triple Zero (000).  
• If a crime has already happened call Police Link 181 444.  
• For anonymous reporting call Crime Stoppers 1800 333 000.

## SH FIRE SAFETY R CAMPERS AND BUSHWALK

When planning for your trip remember to prepare for the risk of bush fire. If you're risk for the area you're travelling to, set up a watch zone in Fires Near and stay up to date.

The fire conditions each day and know what you'll do if a fire starts.

### RE YOU GO BUSH WALKING

Get the most up-to-date information on local conditions including fires, floods and National Park closures.

Check the Fire Danger Rating and if conditions are bad, don't risk it. Stick to the local weather so that you have the appropriate clothing and equipment for a comfortable journey.

Use the Watch Zone in the Fires Near Me app to enrol the Emergency+ app.

### ING UP YOUR CAMPFIRE OR BARBEQUE

Use fires and barbecues at least 2m from flammable materials, on an existing fire bed area where the wind will blow flames away from tents.

BBQs should be attended by a responsible adult.

Make sure you have a water supply.

Use extinguishers, fires, candles and lanterns before bed.

Total Fire Ban days no fires can be lit in the open. Gas or electric BBQ are permitted in designated picnic areas.

### .E CAMPING

Use existing fire sites where possible.

Use fires and stoves in a cleared area where the wind blows away from tents. Have enough water to put out a fire properly, or dig a small hole for your fire. Bury it when you are finished.

Don't cook or smoke in tents.

Extinguish fires before bed.

## YOU'RE CAUGHT IN A FIRE

Get to the front of your car towards the fire and park off the road in a clear area away from trees, scrub and tall grass.

Close windows and air vents.

Turn off the engine and turn on headlights and hazard lights.

Cover yourself with a woolen blanket and stay in the car below the windows to protect yourself from radiant heat.

Drink plenty of water and cover your mouth with a damp cloth.

Follow up until the sound of the fire has passed, carefully leave the car (it will be hot).

Don't panic or try to outrun the fire – if you see smoke ahead turn back.

Find a cleared area with rocks, hollows, embankments, streams or roads to protect you from falling trees.

Lie low and cover any exposed skin.

Use water and cover your mouth with a damp cloth.

### IF YOUR LIFE IS AT RISK, CONTACT TRIPLE ZERO (000) IMMEDIATELY

## WHEEL DRIVING ON FIRE TRAILS

It is an important part of ensuring firefighters can access fires and safely contain them.

Help the NSW Rural Fire Service and local management agencies maintain fire fighting track damage.

Prevent or removing fallen trees.

Minimise damage to trails by avoiding them after rain.

Hello West Pymble community

We were broken into early this morning. We had a dirt bike, high-end mountain bike and tools stolen.

If anyone has any useful CCTV footage or saw anything suspect between 2am and 4am around Jugiong and surrounding streets, can you please PM me?

They would have needed a transporter vehicle or alike to take the items that were stolen, so we're hoping someone has info that would help!

Thanks 🙏

## **From NHW in Ku-ring-gai & Hornsby: 'Our 20 Favourite Crime Prevention Tips for Homes'**

**Tip #2:** Display warning signs around the perimeter or on your home. e.g. “Trespassers will be prosecuted”, “This property is under electronic surveillance”, Neighbourhood Watch window stickers/plaques, dog warnings, etc.

**Tip #4:** Natural ladders are a risk. Don't provide easy access to upper level balconies and windows, eg wheelie bins, lattice, trees, nearby fences.

**Tip #8:** Lock all garages, sheds and under-house access points. Lock away all tools and ladders to prevent them being used to gain access to your home. Roller, tilt & panel-lift doors can be secured with additional hasp & staple lock sets and/or padlocks. Anchor all sheds, sculptures, outside ornaments & table & chair sets.

**Tip #12:** External doors should be solid and fitted with deadlocks. Install patio bolts on sliding doors. Consider security doors.
