

## Neighbourhood Watch Ku-ring-gai & Hornsby eNewsletter #654 - 23 April 2024

This weekly eNewsletter is compiled by Neighbourhood Watch (NHW) volunteers as a service for residents in Ku-ring-gai and Hornsby council areas. The eNewsletter is a new type of Neighbourhood Watch; utilising the available technology to keep people more connected and up-to-date with local crime and safety issues.

The eNewsletter includes a selection of posts from our local police at the [Ku-ring-gai PAC Facebook page](#) (also known as 'eyewatch'), primarily for those not familiar with Facebook. We add anything interesting from a Neighbourhood Watch point-of-view - this could be a local newspaper article, a roadwork warning, crime prevention tip(s), an upcoming Neighbourhood Watch meeting, Q&As from residents, or an item from another Police command ("Crooks know no boundaries!").

🚗 Have you seen anything we should share with the community? [Please email](#) our NHW in Ku-ring-gai & Hornsby volunteers. We do value your contributions and thank you for your support.

🚗 Please feel free to share/forward this eNewsletter with your friends, family, colleagues and neighbours.

23 April, from [9news.com.au](https://www.9news.com.au): Anzac Day: When double demerit periods apply for motorists

Anzac Day is almost here, with Australia preparing to remember fallen soldiers from conflicts past and more recent.

It falls on this Thursday, April 25 this year.

And with many using the long weekend to get away, there are more deterrents to drive safely.

Double demerit points apply in some states for driving offences - and they will be in force before April 25.

The vision for the future of the NSW Police Force, is a focus on our next generation; contributing to the lives of young people with the opportunities and tools to improve safety and well-being and to foster healthy and positive life choices.

Stopping young people from getting into trouble in the first place is as at the heart of Operation Pivot.

Operation Pivot is aimed at diverting our youth away from violence and anti-social behaviour, showing young people the consequences and dangers of knife crime and how getting into gangs and fights can derail your whole life, or worse, get you or your friends killed.

## **23 April, from NSW Police Force**

Robbery & Serious Crime Squad detectives are appealing for information into an armed robbery at a jewellery store on Sydney's Lower North Shore last month.

About 3.30pm on Thursday 28 March 2024, emergency services were called to a business at Birdwood Lane in Lane Cove, following reports of an armed robbery.

On arrival, officers attached to North Shore Police Area Command were told two males wearing dark clothing and face coverings – one carrying a firearm – had entered the business and threatened staff before taking an item.

It is believed the males fled in a silver Holden Commodore, bearing Victoria registration plates 1IH 8XX.

Detectives believe that car was being driven by another unknown man and was seen in driving in convoy with a silver Mercedes.

Local police established a crime scene and commenced initial inquiries into the incident before the matter was taken over by State Crime Command's Robbery and Serious Crime Squad under Strike Force Larama.

As inquiries continue, police are appealing for information to help identify two men who may be able to assist with the investigation.

One man is described as having an olive complexion, of medium build, with grey hair. He was wearing a grey t-shirt, white shorts and white sneakers, with a white jumper around his neck.

The other man is described as being of Caucasian appearance, medium to solid build, with a long blonde mullet. He was wearing a grey hooded jumper, yellow shorts, black sneakers and a red baseball cap.

Anyone with information about the identity of the men, or movements of the car around the time of the incident, are urged to contact Crime Stoppers on 1800 333 000.

Anyone with information that may assist investigators is urged to contact Crime Stoppers: 1800 333 000 or <https://nsw.crimestoppers.com.au>. Information is treated in strict confidence. The public is reminded not to report information via

yesterday to inspect it, it was in an expensive neighborhood, and the house looked tarted and pimped for the occasion, without anyone having lived in there for a while. One prospective tenant turned on the lights in the bathroom, and then BOOM. Sparks flew, there was a big flame and the whole room burst into flames. We ran outside when the RE was trying to turn off the switches, and fire caught in the roof within minutes. In 5 minutes the whole roof and house were on fire. We called the fire brigade, and then I spent 15mn crying in my car with my husband trying to comfort me. Our kids were at a friend's place thank goodness. I'm in such a shock, what can I do to have a place inspected by a specialist if we ever move in somewhere so that I don't feel like my children are going to die from the negligence of a an unspeakable excuse for a landlord ? I'm still shackled up, and angry and scared. How is it legal to put on the market a property that is dangerous to live in? Is there any government agency that actually can check these things if they are called to do so ???? The place was in Bent street, Lindfield NSW.

## **22 April, from Neighbourhood Watch Ku-ring-gai & Hornsby: Did you know?**

Neighbourhood Watch Ku-ring-gai & Hornsby can help you mark your valuable possessions?

We can offer you the use of an engraver and/or Ultra-violet pen & torch. Please see the Borrow page on our website for more information, and to see other items we have available: <https://au-nhwkuringgaihornsby.org/borrow/>

Marking your items can help return your property to you. It gives you irrefutable proof of ownership. It can also tie a criminal to a crime scene, allowing for a better chance of conviction.

Neighbourhood Watch Ku-ring-gai & Hornsby suggests the use of an engraver, especially for marking expensive road bikes, electric tools, and other such items that can be easily on-sold at a car boot/garage sale. We recommend the NSW Police-preferred method of marking with your driver's licence number prefixed with 'N' (for NSW) at the top right of your item.

For delicate items, such as phones, music and computers, we suggest the use of an ultra-violet (UV) pen. The ink used is only visible under UV light. The UV

---

marking deteriorates with sunlight, so should be applied on the underside or inside of an item and be re-applied every 6 months. We also supply a blacklight torch to view the UV markings.

We also suggest GPS trackers - these are not available to borrow from NHW K&H. Trackers can be used for a range of items from motorbikes, jetskis, musical instruments, to mobile homes and pets. Products are such as AppleTag, Tile Mates, etc.

**21 April, from Neighbourhood Watch Ku-ring-gai & Hornsby: Will you be there? We will.**

We have been invited to have a stall at this 'Party @ Hornsby' event on Sunday 05 May 2024 from 10:30am til 12:30pm detailed on the attached flyer. It's being held in the park by the Hornsby Aquatics Centre.

As well as a crime prevention stall, we will have the kids 'catch-a-crim' photo booth, colouring-in and dress-ups. Fiona Zhou, our Multicultural Community Liaison Officer (MCLO), will be there assisting us from the police stall next door. Because it is opposite the Hornsby police station, there will be a few visiting police officers expected. A good opportunity to ask any questions?

Parking is available in the Dural Lane car park behind the cinema.

It does say it will be cancelled if it rains... fingers crossed.
